

ALPHA UNIVERSITY

Alpha University is a non-profit educational organization. Our mission is to offer students an opportunity to advance their careers. Degrees offered include bachelor, master and doctoral in behavioral sciences with majors in hypnosis, hypnotherapy, and clinical hypnotherapy.

Alpha University utilizes a repository of professionals, educators and scholars dedicated to the facilitation, evaluation and assessment of an individual's composite knowledge. Alpha University utilizes a unique multi-disciplinary approach to higher education, bringing instruction to students who might be disadvantaged by campus attendance requirements in their desired programs of study.

Alpha University offers adults life experience opportunities to apply and formalize their extra-collegiate and experiential knowledge in a manner that is consistent with structured academic curricula. Student can then elect the course of study offered that fits their individual needs.

ACCREDITATION

There is no federal authority over educational institutions in the United States. Individual states have assumed varying degrees of authority over educational institutions, but have no authority in the establishment or the regulation of religious or professional continuing educational institutions.

Accreditation does not guarantee acceptance of credit earned from one institution by another, nor can any educational institution guarantee that its graduates will be recognized as such by employers, licensing boards or professional certifying organizations. Acceptance of credits and degrees is the prerogative of the individual institution or employer.

All degrees are equal under the law. Each state and its respective licensing boards set standards and policies that pertain to degree acceptance and licensing requirements. Alpha University degrees have been evaluated as equivalent to a degree from a United States regionally accredited university. If licensing or certification is the ultimate goal of a student's program, the student is well advised to inquire of the licensing agency concerning the agency's requirements before the student enrolls in any educational institution.

**A MESSAGE FROM THE DEAN
OF ALPHA UNIVERSITY,**

Conrad Adams, PhD, DNM, CCH

It is both an honor and a privilege to invite you to join our family at Alpha University.

Hypnotherapy is one of the nation's fastest growing health and wellness professions. More than ever before in the history of the United States, people are seeking out the services of complementary, natural and holistic health or wellness practitioners. Nearly one-half of all medical visits made today are with natural/holistic practitioners. More than ever before there is the greatest need for properly trained practitioners to meet the challenges of the trend we will be experiencing in the near future.

Alpha University was established to meet the educational standards set to fulfill the demands of highly qualified complementary or alternative health and/or wellness practitioners. Highly qualified instructors have been selected based on expertise, devotion, knowledge and desire to share the skills they have mastered. Students have the option of taking courses at various locations, on-line, tele-conferencing and by attending lectures, conferences and conventions. New courses are continually added to meet the demands of the field of hypnosis. Courses are available for continuing education.

ADMISSION POLICY

Students will be required to file an application. This application can be obtained by calling 225-924-0604 or writing to:

Bursar's Office
Alpha University
216 Lobdell Avenue
Baton Rouge, LA 70806-4612

The application must be accompanied by a \$100 non-refundable payment in the form of a cashier's check, bank (teller) money order or credit card.

Prepare a two page autobiographical description, curricula vitae or resume.

Write a brief description of your academic goals and career aspirations.

Please submit all your transcripts and prior educational information for evaluation.

Incomplete applications cannot be accepted for evaluation. Upon completion of the evaluation, the student will be informed as to their status. Students approved for admission will receive an information packet with all required information.

Enrollment must be completed within thirty days of acceptance. Late applicants will incur additional processing fees. Excellent financing is available upon request.

TAX DEDUCTION

Please be advised that according to U. S. Treasury Regulation 11625, an income tax deduction is allowed for educational expenses undertaken to maintain and improve professional skill.

U. S. DEPARTMENT OF LABOR

The U.S Department of Labor's Dictionary of Occupational Titles defines the profession or occupation of hypnotherapist as: Hypnotherapist - "induces hypnotic state in client to increase motivation or alter behavior patterns. Prepares client to enter hypnotic state by explaining how hypnosis works and what client will experience. Tests subject to determine degrees of physical and emotional suggestibility. Induces hypnotic state in client using individualized methods and techniques of hypnosis based on interpretation of test results and analysis of client's problem. May train client in self hypnosis conditioning." The identification number assigned is 079.157-010.

EMPLOYMENT PLACEMENT

Students are advised to investigate career or job opportunities, ordinances, laws and regulations in their locality before beginning the work in their profession.
